Madras Institute of Technology,  
Anna University,  
Chennai – 600044.

To  
The Principal,  
[College Name]  
[College Address]

Respected Sir/Madam,

Greetings from MIT, Anna University!

The Students' Association of the Department of Computer Technology (Association of Computer Technologists) is delighted to invite your esteemed institution to participate in PRAYATNA'25, a National-Level Inter-College Technical Symposium, scheduled to take place on April 5th and 6th, 2025, at the MIT Campus, Anna University, Chennai.

PRAYATNA'25 is expected to host over 3,000 students from various colleges across India, providing an exceptional platform to showcase skills, network with peers, and learn from industry experts. This year's symposium features 15 tech and fun-tech events, 8 hands-on workshops conducted by industry leaders from companies like Google, Microsoft, Amazon, PayPal, Visa, Oracle, Philips, and Accenture, each with over 15 years of experience. Additionally, there will be a paper presentation event evaluated by IEEE reviewers and Anna University professors, along with an 8-hour hackathon mentored by experts from top companies such as Appian, Samsung, Visa, and more. Winners of select events will also receive exciting internship and placement opportunities from reputed companies.

We'll also provide accommodation facilities for the participants.

We kindly request your support in encouraging students from your institution to participate in this prestigious event. Please find the attached event pamphlet for circulation among students. For additional details, kindly visit our official website: <http://ct.mitindia.edu/act/prayatna>.

For further inquiries, please feel free to contact Mr. Mohamed Riffath (8667546405) - Chairperson, ACT.

Thanking you,

Yours faithfully,  
Team ACT, MIT
